Search for
new friends.
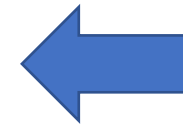

Look at current friends
and trying to find new
one's tab.

View user profile.

Connect with
new friends.

The friends page allows uses
to connect with others on
the app. There is an option
search for people on the
app and view other users'
profiles.

View markers
they have visited.

When tapping on a friend,
the user will be redirected
to the respective PROFILE
ACCOUNT PAGE
